BRING YOUR OWN DEVICE (BYOx) INFORMATION

Does my child need a device?

Yes, all students are expected to have their device with them every day. Students use their device as a learning tool to engage in the Australian Curriculum.

Device minimum specifications and a BYOx Buying Guide can be found on our website (under the Curriculum tab). Please review these specifications carefully before purchasing a device, including the list of incompatible devices that will not connect to our school WiFi network. **Please note that Chromebooks are not compatible and should not be purchased.**

Answers to Frequently-asked Questions (FAQ) about our BYOx Program can also be found on our website. Please take time to read this document so that you become familiar with our program.

Links to vendor portals for DoE preferred suppliers are at the bottom of the BYOx webpage. These suppliers offer special pricing on laptops for state school students and their families.
